"There needs to be a traffic light at the stop sign next to The Marshal Apts on 4th Street between Industry & Winkler. There have been several accidents due to cars not seeing the stop sign & decreased visibility due to parked cars on the street."

22nd St needs another light. One year there were 6 car accidents on one block (22nd & Osage) alone. There's too much space for people to speed."

"I have six children & live in a neighborhood that is very careless to that fact. With our community being majority children, I as a parent would love to see more speed bumps."
-Village West Drive

"Lyndon area needs more bike lanes. St. Matthews also needs more bike lanes. I would love to feel safe riding my bike to Oxmoor & St. Matthews Mall."
