Agenda Item #05

MEMORANDUM

TO: Transportation Technical Coordinating Committee

FROM: Chris Nicolas

DATE: June 7, 2023

SUBJECT: Amendment 2 to *Connecting Kentuckiana 2050 Metropolitan Transportation Plan (MTP)* and the *FY 2023-2026 Transportation Improvement Program (TIP)*

KIPDA staff are ready to present Amendment 2 to the committee for consideration. There was no air quality conformity analysis required. The public comment period was open for 15 days from May 24, 2023, to June 7, 2023, with a virtual open house from 5-6 pm on Wednesday June 7th.

Greg Burress will send public comments to the Transportation Policy Committee (TPC) members on June 8th as part of their 15-day review.

Approval of Amendment 2 is contingent on federal approval of the FY 2023-2026 TIP and Connecting Kentuckiana 2050 MTP.

Action is requested.

**FY 2023-2026 Transportation Improvement Program
&
Connecting Kentuckiana 2050 Metropolitan Transportation Plan**

The Kentuckiana Regional Planning and Development Agency (KIPDA) is the Metropolitan Planning Organization (MPO) for the five-county region covering Jefferson, Bullitt and Oldham Counties in Kentucky and Clark and Floyd Counties in Indiana. The MPO's responsibilities include producing a long-range transportation document, known as *Connecting Kentuckiana 2050* Metropolitan Transportation Plan (MTP) and a short-range planning document, the Fiscal Year (FY) 2023-2026 Transportation Improvement Program (TIP)

Changes have been proposed to the TIP. The TIP, with the proposed changes, remains fiscally constrained. This packet includes the following document:

- A listing of all projects being added, removed and/or modified
- Schedule for Amendment 2
- Meeting minutes from the Interagency Consultation (IAC) conference call

Providing comments for the proposed changes can be submitted by any of the following methods:

- Visiting <https://kipdatransportation.org/amendment-2/> and click on the *Amendment 2 Map* link.
- Emailing kipda.trans@kipda.org.
- Mail to the following address.

TIP and MTP Amendment, KIPDA

11520 Commonwealth Drive, Louisville, KY 40299

- Attend the virtual open house on June 7th from 5:00-6:00 pm via Zoom. Members of the public are encouraged to ask questions and leave comments. A link to the virtual public meeting can be found at: <https://kipdatransportation.org/amendment-2>

Please contact Community and Committee Engagement Specialist Greg Burress at 502-562-6144 ext. 123 or via email at greg.burress@kipda.org for additional questions or information.

AMENDMENT 2 SCHEDULE

Fiscal Year (FY) 2023- 2026 Transportation Improvement Program (TIP)

WHY ARE THERE AMENDMENTS TO THE MTP & TIP?

New projects that are not regionally significant and qualify as Group Projects, as well as many minor changes to existing projects, can be added through an administrative modification. Administrative modifications can be processed within 30 days.

New projects and project changes that do not fit the criteria above must be added to the MTP and/or TIP through an amendment. There are many reasons why a project must be amended. Adding a regionally significant project that does not fit KIPDA's Group Projects policy or changing the scope of a roadway project to add a travel lane are both examples of projects that must be amended. While every effort is made to expedite amendments, the process can take up to 6 months.

KEY STEPS & TIMING

<i>Project Applications (new or modified) are due from sponsors</i>	<i>May 3, 2023</i>
<i>KIPDA staff completes project review</i>	<i>May 4, 2023 - May 12, 2023</i>

Exempt/Non-Exempt:	Exempt	Model Impact:	No change to model impact.		
Project Sponsor:	Oldham County	KIPDA ID:	2981	State ID:	TBD
County	Oldham	Parent ID:	327	Group ID:	N/A
Project Name:	Mattingly/Old LaGrange Road Trail	Funding Source:	STBG-MPO	Open to Public Date:	2027
Total Estimated Project Cost:	\$1,250,000		Total Cost Programmed in TIP to date:	\$1,250,000	
Description:	<p>Construct a section of the Oldham County Greenways Trail. This section will be a 10' shared-use path along the KY 393 realignment to the entrance of Wendell Moore Park.</p> <p>A new section of 10' wide shared use path was constructed with the Commerce Parkway Extension project which terminates on Mattingly Road. This project will continue the 10' shared use path along Mattingly Road and then south towards I-71 along Old LaGrange Road to the existing pedestrian bridge over I-71 at Exit 18. It will also extend north from the intersection with Mattingly Road along Old LaGrange Road to the intersection with KY 146.</p>				
Justification:	<p>The KY 393 Trail is a child project of the overall Oldham County Bicycle and Pedestrian Trail that will eventually connect LaGrange to Jefferson County. It will connect to an already existing section of the trail and provide alternate transportation options to Oldham County residents.</p> <p>This trail will provide the needed connection to the existing pedestrian bridge over I-71 and move forward Oldham County's overall greenways plan to connect from LaGrange to Jefferson County. Currently there are no facilities on Mattingly or Old LaGrange Road separating vehicular traffic from pedestrians and cyclists.</p>				
FY 23-26 TIP Funding:	<p>FY 2023 Design phase with STBG-MPO funds: \$222,000 (Federal) + \$55,500 (Other) = \$277,500 (Total)</p> <p>FY 2024 ROW phase with STBG-MPO funds: \$139,000 (Federal) + \$34,750 (Other) = \$173,750 (Total)</p> <p>FY 2025 Utilities phase with STBG-MPO funds: \$139,000 (Federal) + \$34,750 (Other) = \$173,750 (Total)</p> <p>FY 2026 Construction phase with STBG-MPO funds: \$ 500,000 (Federal) + \$125,000 (Other) = \$625,000 (Total)</p>

Total Estimated Project Cost:	\$1,250,000		Total Cost Programmed in TIP to date:	\$1,250,000	
Description:	Rehabilitate existing sidewalks and ramps to meet ADA-compliance, improve their condition, and remove barriers to pedestrian accessibility in Metro Council Districts 1, 2, 3, 4, 5, and/or 6.				
Justification:	<p>This project will maintain the existing system in a state of good repair, remove barriers to accessibility, improve modal choice, and enhance pedestrian safety.</p> <p>Louisville Metro has evaluated the condition of over 1,800 linear miles of sidewalks and has determined that over \$60M is needed for these repairs. For this project, sidewalk rehabilitation was prioritized with the following criteria:</p> <ol style="list-style-type: none"> 1. Where entire blocks of sidewalks are rated the worst; 2. Within Environmental Justice (EJ) or Justice 40 areas; 3. Within areas with high concentrations of households with no vehicles available; 4. Within areas with a high number of pedestrian crashes; and 5. Within close proximity of schools. <p>Based upon this criteria, six of 26 Council Districts are to be prioritized: 1, 2, 3, 4, 5, and/or 6.</p>

Total Estimated Project Cost:	\$14,000,000		Total Cost Programmed in TIP to date:	\$14,000,000	
Description:	<p>Streetscape enhancements to improve pedestrian/bicycle amenities along East Market Street from Brook Street to Johnson Street and along the following intersecting streets from Nanny Goat Alley to Billy Goat Strut Alley: Brook St., Floyd St., Preston St., Jackson St., Hancock St., Clay St., Shelby St., Campbell St., Wenzel St., Baxter Ave. and Johnson St. Enhancements include the addition of landscape medians in two separate blocks to serve as a gateway to the neighborhood and repurposing one of the existing east-bound drive lanes to provide a dedicated separate bike facility. Project length 2.1 miles.</p> <p>Streetscape enhancements to improve pedestrian/bicycle amenities along East Market Street from Brook Street to Baxter Avenue. Enhancements include the addition of landscape medians in two separate blocks to serve as a gateway to the neighborhood and repurposing one of the existing east-bound drive lanes to provide a dedicated separate bike facility. Project length 0.96 miles.</p>				
Justification:	<p>This project is for the design and construction documents of the improvements East Market Street and intersecting streets within the area generally bounded by Brook Street to the west; Billy Goat Strut Alley to the north; Baxter Avenue to the east; and Nanny Goat Strut Alley to the south. Streetscape improvements should transform the vehicular and pedestrian spaces into attractive urban space that can serve cars, bikes and people. Project Name:	Rightsizing Louisville for Safe Street	Funding Source:	SS4A	Open to Public Date:	2027
Total Estimated Project Cost:	\$26,771,000		Total Cost Programmed in TIP to date:	\$26,771,000	
Description:	Improve safety on 10 roadway corridors by employing low-cost, high-impact strategies, including: street rightsizing (road diets), roundabouts, sidewalks and ADA ramps, curb extensions and pedestrian refuge islands, ladder-style crosswalks and other types of improved striping, traffic signal improvements (rebuild signals and add retroreflective backplates), bus shelters, raised medians, and mid-block crossing pedestrian signals.				
Justification:	Improve safety at the locations that were identified through the Vision Zero Louisville Safety Report (2021) Technical Appendix, Table 19. While the primary goal is to improve safety for bicyclists and pedestrians, especially in underserved communities, this project also supports goals to improve equity, climate, sustainability, quality job creation, and economic strength and global competitiveness by making Louisville's streets safe for all people.

Welcome/Roll Call

A total of eight state, regional, federal, and local agencies were in attendance with 14 representatives to participate in the IAC video conference call for Amendments 2 and 3 of the *Connecting Kentuckiana 2050* Metropolitan Transportation Plan and the *FY 2023-2026 Transportation Improvement Program*. The meeting began just after 3:00 p.m.

Amendment 1 Project discussion

Before the discussion of Amendments 2 and 3, FHWA requested an update on the development of the new KIPDA MTP & TIP and Amendment 1 of the new TIP. Those are scheduled for KIPDA TPC approval at their May 25th meeting. Amendment 1 was discussed. Mr. Andy Rush provided updates to the TIP and MTP statuses. Details were provided for Amendment 1 including the public review being recently completed. Mr. Rush asked if there were any questions.

Mr. Nick Vail states a non-exempt project was included in Amendment 9 (of the current MTP & TIP), which is now in Amendment 1 and asks if analysis needs to be re-run. Mr. Vail leans to a no and Ms. Dianna Myers asks for an additional explanation of Amendment 1. It is then discussed that the Louisville Area has been changed to moderate for ozone and projects in Amendment 1 will need new analysis that includes a new 2023 model year. Without this change, the analysis for Amendment 1 would be the same analysis used previously for the MTP update. Discussion is then turned to the updates to the MTP and the TIP. It is determined that the analysis was underway prior to January 7, 2023, change so the updates to the MTP and TIP can continue. Ms. Myers says that a 2023 model is required in MOVES and that Mr. Simon will provide information to Mr. Craig Butler for a MOVES model run. Mr. Simon and Mr. Butler agree.

Amendments 2 and 3 Project discussion

KIPDA staff presents the following exempt projects for comment and there are no objections on any:

- an Oldham County trail project (KIPDA ID 2981),
- a new Louisville Metro project “Sidewalk Rehabilitation- Community Project Funding”,
- a reduction in project size for East Market Streetscape improvements (KIPDA ID 2064) in Louisville.
- Reimagine 9th Street (KIPDA ID 2733) is introduced as a non-exempt project but only due to two-way conversions and there are no objections.

- Mr. Rush also presents a funding change for a center turn lane project on Buechel Bank Road (KIPDA ID 381) in Louisville and there are no objections.
- A new project for road diets on 10 separate roadways (KIPDA ID 3160) in Louisville is presented as exempt. Mr. Vail concurs that road diets are exempt and there are no objections.
- A new electric vehicle charging infrastructure project, “National Electric Vehicle Infrastructure (NEVI)” is presented as exempt with no objections.
- An I-64 added travel lanes project (KIPDA ID 2899) in Floyd County, Indiana is presented as non-exempt due to funding change and a negligible project description and scope change. The change affects approximately 1/3 of a mile and the project is due to open in 2027. Mr. Rush asks if a new analysis is needed. Ms. King raises the concept of “*de minimis*.” Ms. Myers suggests new modeling is required. Mr. Butler disagrees. Ms. King discusses technical details. Mr. Rush states that KIPDA will remodel the project but that it will therefore need to be included in a full amendment to be known as Amendment 3.
- KIPDA staff continues to present a TARC project “Purchase Replacement Fixed Route Buses” as exempt and there are no objections.

Other Business

Mr. Simon presents changes to the Memorandum of Understanding between the IAC members. Ms. Myers acknowledges changes to local governments and recommends that local governments sign, but that EPA Region 4 will not sign. The meeting is adjourned at approximately 6:00 p.m.

Agenda Item #6

MEMORANDUM

TO: Transportation Technical Coordinating Committee (TTCC)

FROM: Andy Rush

DATE: June 7, 2023

SUBJECT: Indiana Dedicated Funding

In recent weeks, there have been several changes to the status of the FY 2023 and FY 2024 dedicated federal transportation dollars under MPO control in Indiana. In Indiana, any funds that are not obligated by the end of the fiscal year do not carry over into the subsequent year.

Staff will report to the committee the latest information regarding the status of the FY 2023 Indiana dedicated funds.

Agenda Item #8

MEMORANDUM

TO: Transportation Technical Coordinating Committee (TTCC)

FROM: Chris Nicolas

DATE: June 7, 2023

SUBJECT: Urbanized Area Boundary Update

The Transportation Policy Committee (TPC) approved plans for KIPDA staff to meet with local officials from each of the 5 main KIPDA MPO counties to draft a proposal for the 2020 Federal Aid Urbanized Area, also called the “adjusted” or “smooth” boundary, on May 25, 2023.

KIPDA staff will present the outcome of these meetings. An interactive mapping tool was used to delineate new recommended boundary updates. The draft was created in collaboration with local officials from Bullitt, Oldham, Jefferson, Clark and Floyd counties. The recommendations will be submitted to the respective state highway agencies.

State DOTs, in cooperation with MPOs and local governments, are allowed to use the Census-defined urbanized area boundaries as starting points to delineate FHWA Urban Area boundaries. Regional FHWA officials will have the final approval. The process is typically completed within one year of the Census UAB release (by December 29, 2023).

Agenda Item #09

MEMORANDUM

TO: Transportation Technical Coordinating Committee

FROM: Chris Nicolas

DATE: June 7, 2023

SUBJECT: Administrative Modification I to the *FY2023-2026 Transportation Improvement Program* (TIP)

KIPDA staff will discuss the key components planned for inclusion in Administrative Modification I to the *FY2023-2026 Transportation Improvement Program* (contingent on federal approval).

This Administrative Modification will be composed of the most recent Administrative Modifications to the FY2020-2025 TIP which occurred after the review process of the FY2023-2026 TIP began, as well as new project changes eligible for updating with an Administrative Modification.

Qualifying criteria for administrative modifications include the following actions:

- Correcting minor data entry errors.
- Splitting or combining projects without modifying the original project intent.
- Changing or clarifying elements of a project description (with no change in funding). This change would not alter the original project intent.
- Moving a project from one funding category to another.
- Shifting the schedule of a project or phase within the years covered by the STIP/TIP (with no impact to fiscal constraint).
- Adding Planning, Design, ROW or Utilities phases to a construction project that is already included in the STIP.
- Updating project cost estimates (within the original project scope and intent) that do not impact fiscal constraint.
- Adding projects that are considered “grouped projects” that do not require public review, redemonstration of fiscal constraint, or a conformity determination.

The changes to the FY 2023-2026 TIP are being presented to you for your information only. These changes do not affect the fiscal constraint of the Transportation Improvement Program, nor will they affect the progress of other projects in the program.

MEMORANDUM

TO: Transportation Technical Coordinating Committee (TTCC)

FROM: Andy Rush

DATE: June 7, 2023

SUBJECT: Planning Studies

Earlier this year, KIPDA staff announced a Call for Studies where federal planning funds were made available to local governments in the KIPDA region to do planning studies. Approximately \$250K in FY 2024 funding was made available. Applications were due to KIPDA on May 26th.

KIPDA received two applications: One from Jeffersontown and the other from Louisville Metro. Staff will discuss the process and these applications with the committee.
