Project Sponsor:	Clark County	KIPDA ID:	3365	State ID:	2401839
County:	Clark	Parent ID:	N/A	Group ID:	N/A
Project Name:	Memphis Blue Lick Roadway Improvements	Funding Source:	Group III	Open to Public Date:	2031
Total Estimated Project Cost:	\$9,700,000		Total Cost Programmed in TIP to date:	\$125,000	
Description:	This project will enhance the overall capacity of the Memphis Blue Lick Road and the surrounding area, from Crone Road near the I-65 Interchange to the existing Champions Point S/D, 2+ miles to the west. There are potentially four intersections that must be enhanced (one is an INDOT interchange at I-65); potentially two bridge improvement structures and several small structure crossings that will need to be improved along with the roadway widening for the area. The roadway widening shall include pavement drive lane expansion and improved paved shoulders. Bike paths will also be considered for this project.				
Justification:	This area is experiencing significant growth. To date there are 6 residential developments that have been platted with over 2500 new residential lots already approved and significantly more potential for the area. Vehicle counts in the area were completed in 2013 and ranged from 800-2000 AVD. new vehicle counts were completed in 2023, and the numbers have increased to 8000-9000 AVD at locations along the Memphis Blue Lick corridor. Residents in the area are concerned with the growth occurring and the potential for new growth in the currently undeveloped areas.
